The Claremont Colleges Services prioritizes the health and well-being of our community.

Help stop the spread of illnesses by following these guiding principles.

BEST PRACTICES
Everyone should wash their hands or use hand sanitizer regularly to prevent the spread of illness.

FACIAL COVERINGS
Please wear a mask if you are ill or concerned with illness.

BE CONSIDERATE
To protect others, please consider rescheduling your appointment or business if you are ill. If you need to enter and are ill, please wear a mask to protect those around you.
