I was exposed to COVID-19. What do I do?

Do you currently have COVID-19 symptoms that cannot be attributed to another condition?

**Yes**
- Stay offsite and away from others.
- Get a COVID-19 test.
- **Work:**
  - If you feel well enough and can work remotely, please do so.
  - If you do not feel well enough to work or cannot work remotely, call off work with your department and use your available sick time to cover your absence.

**No**
- Continue to work.
- Wear a highly protective mask indoors and outdoors when you are around others for the next 10 days.
- Get a COVID-19 test 3-5 days after your exposure.
- Monitor your health for the next 10 days. **If you develop symptoms:**
  - Stay home.
  - Get a COVID-19 test as soon as possible, even if you previously tested negative.
