I’m positive for COVID-19. What do I do?

- Stay offsite and away from others. Follow these isolation requirements.
- Wear a highly protective mask indoors and outdoors when you are around others for the next 10 days.
- Work:
  - If you feel well enough and can work remotely, please do so.
  - If you do not feel well enough to work or cannot work remotely, call off work with your department and you are able to use your available sick pay during your time in isolation.

Do you work onsite?

**YES**
- Complete a contact tracing form.
- Contact Tracing will determine when you are able to return to work onsite.
- HR will be informed to assist with your time away from work.

**NO**
- Notify HR of your positive test result. HR can assist you with any questions.
- Consult with your doctor or a local health department for isolation guidance.
